## Overview

The Schedule of Benefits (SOB) is a summary of benefit limits and Cost-Sharing amounts You must pay for certain Covered Benefits. However, it is intended to help you compare covered benefits and is a summary only. Please see Your Evidence of Coverage or reach out to customer service at 1-833-928-0569 for additional coverage details.

This is a traditional HMO network Plan. You have access to both the “Taro Health Oklahoma MP Network” and the “Taro Health Oklahoma DPC Network”. Your Network includes providers throughout the state of Oklahoma. However, there are hospitals, health care facilities, physicians or other health care providers that are not included in this Plan’s Network. All services and supplies must be provided by a Taro Network Provider, unless:

- The services are for Emergency Care, ambulance services related to an Emergency for transportation to a Hospital, or Urgent Care services received at an Urgent Care Center; or
- Are authorized by Taro.

## Direct Primary Care

Network Primary Care visits are always covered in full by Taro Health. In addition, Taro’s Network Primary Care providers are Direct Primary Care providers (DPCs), which means they take on a smaller patient panel to have more time and flexibility for their patients, like You. Taro’s DPCs provide tailored care during unrushed visits, which ultimately helps build a more trusted patient-physician relationship. Once You select the DPC that best fits You and Your needs, You will see the same physician consistently, whether it is in-person, over video (Telemedicine), or other modes of communication like phone calls, email, or even text. There is no Member Cost-Share for any of these visits or communications. To take full advantage of this unique benefit, please reach out to customer service at 1-833-928-0569 and We will help you set up a relationship with one of our Direct Primary Care providers.

## Prior Authorization

Coverage for certain benefits requires Prior Authorization. If you do not receive Prior Authorization when required, payment for care may be denied. To verify Prior Authorization requirements, call Customer Service at 1-833-928-0569, or refer to the Prior Authorization List at tarohealth.com.
